Lullaby Treasury Mathilde Polee

Lullabies are as eternal as childhood itself, creating a bond between parent and child, shared in the quiet moments before sleep. An intimate part of the nurturing process, these moments live in the memory of both parent and child forever. This collection brings together the most popular and enduring cradle songs from all over the world. Featuring both well-known and unfamiliar, it includes many songs in their original languages alongside English translations, together with the music.
