The Hump Day Diaries

Mary McCarthy

The Hump Day Diaries Mary McCarthy

This is a collection of sex toy reviews I did for my humor blog, PajamasandCoffee.com (they are no longer on the internet). The reviews include "Fuck a Duck" (a rubber ducky vibrator), a few erotic/sex-related books, "Jersey Whores" porn movie review, an inflatable sheep toy review, the time I froze my cooter ("The Iceman Cometh") and the time I tried whipping myself with a "SLUT" paddle to see if I could get it to leave a mark. Holy shitballs of fire, I even had my husband use the 'Clone a Willy' kit and I reviewed that. No shame.

There are 20 posts in the e-book altogether- 19 are the 'lost' Pajamas and Coffee sex toy reviews (including all their photos), and the last 'chaplet' (I don't know what the fuck a chapter is called in an e-book) is a brand new piece I wrote called "Everything I Needed to Know About Vibrator Orgasms I Learned From My Mid-Life Crisis."

From reader reviews:

Bessie Morris:

As people who live in the modest era should be update about what going on or information even knowledge to make all of them keep up with the era that is always change and move forward. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know which one you should start with. This The Hump Day Diaries is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Thersa Davenport:

Reading a publication can be one of a lot of exercise that everyone in the world loves. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new info. When you read a guide you will get new information since book is one of a number of ways to share the information or even their idea. Second, examining a book will make an individual more imaginative. When you looking at a book especially fictional works book the author will bring one to imagine the story how the people do it anything. Third, you can share your knowledge to other folks. When you read this The Hump Day Diaries, you may tells your family, friends along with soon about yours e-book. Your knowledge can inspire different ones, make them reading a guide.

Sarah Frigo:

Reading a e-book tends to be new life style in this era globalization. With examining you can get a lot of information that will give you benefit in your life. With book everyone in this world may share their idea. Publications can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or even their experience. Not only the storyline that share in the ebooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some investigation before they write to the book. One of them is this The Hump Day Diaries.

John Flores:

A number of people said that they feel bored when they reading a guide. They are directly felt this when they get a half areas of the book. You can choose typically the book The Hump Day Diaries to make your reading is interesting. Your own skill of reading talent is developing when you similar to reading. Try to choose simple book to make you enjoy you just read it and mingle the opinion about book and looking at especially. It is to be initially opinion for you to like to start a book and examine it. Beside that the guide The Hump Day Diaries can to be your brand-new friend when you're really feel alone and confuse with the information must you're doing of the time.
