The Lady Dauntless (Secrets of the Zodiac Book 4) Elizabeth Cole
A fiery lady, a devilish smuggler, and a cargo nations would kill for...

"If you can't get enough of the Scottish Highlands, you'll never believe the Secrets of the Zodiac hidden within!"

Gemma Harrington leads a wild, unconventional life among con men and smugglers. She can ride and shoot as well as any man, but she wants to escape the world she's caught in for something better. Then a mysterious gentleman shows up with a daring proposal. If Gemma helps him infiltrate a smuggling ring, he'll take her anywhere his ship can sail. Captivated, she agrees to his dangerous plan.

With slightly shady ancestors and a far away upbringing, Logan Hartley isn't the typical hero, and that makes him an excellent spy. Logan had to fight for everything he ever wanted: his own ship, his place in Zodiac, and the approval of his peers. Now he wants Gemma--but he has to stay alive long enough to win her.

As Gemma and Logan follow the trail of a strange criminal, they become targets in a much deadlier game when they uncover a secret that governments would kill for. To expose the truth, they will defy convention and break the rules. And they have to act fast, because their enemies are much closer than they imagine...

The fourth novel in the Secrets of the Zodiac, a series of full-length historical romance novels, features darker, sexier storylines, complex characters, and international intrigue, set against the backdrop of the Napoleonic Wars.
