I'd led a selfish existence. I liked who I was. Hell, I loved myself.

Women threw themselves at me and I took what they offered without remorse. I promised them nothing. I sank my teeth into life, holding on to the bitch like my very existence depended on it.

Time passed. Women came and went.

The second I let my guard down and released the hold I had on life... What was my award for such carelessness?

A love so spectacular and heart wrenching that it threw me for a loop. When I was in too deep to escape, my greatest fears became reality.

This is my story. My downfall. My salvation.
