Dog Ghosts and The Word on the Brazos: Negro Preacher Tales from the Brazos Bottoms of Texas J. Mason Brewer

This book contains two volumes of African American folk tales collected by J. Mason Brewer.

The stories included in *Dog Ghosts* are as varied as the Texas landscape, as full of contrasts as Texas weather. Among them are tales that have their roots deeply imbedded in African, Irish, and Welsh mythology; others have parallels in pre-Columbian Mexican tradition, and a few have versions that can be traced back to Chaucer's England. All make delightful reading. The title *Dog Ghosts* is drawn from the unique stories of dog spirits which Dr. Brewer collected in the Red River bottoms and elsewhere in Texas.

The Word on the Brazos is a delightful collection of "preacher tales" from the Brazos River bottom in Texas. J. Mason Brewer worked side by side with field hands in the Brazos bottoms; he lived in their homes, worshipped in their churches, and shared the moments of relaxation in which laughter held full sway.

Many of the tales these people told were related to religion—both "good religion" and "bad religion." Some of them concerned preachers and their families, while others were stories told in pulpits. Mr. Brewer has set all of these stories down in authentic yet easily readable dialect. They will delight all who are interested in the historic culture of rural African-American Texans, as well as those who simply enjoy fine humorous stories skillfully told.
