Doonal's Kin: The Faerland Series Kathleen Cook

The first volume of the Faerland series chronicles the life of your ancestor, a part-Elf girl named Athelia. Doonal's Kin offers you the chance to explore your Elf roots, construct your 900-year family tree and discover a history you never knew you had. Who says that you can't choose your relatives? In Faerland, truth has a far better sense of humor than that.
