His Pet (BDSM Billionaire Romance) Jen Hampton

Blindfolded, I could only hear and feel the restraints snapping against my wrists, pulling me upward. I felt his hulking presence against my back, eager to have his way with me.

It was just supposed to be a summer job. A secret I was keeping from my friends back at college. While they were all out partying on beaches or dancing the night away, I would be seeing to the needs of the guests at the Regal Tower in Manhattan! A small town girl like me, finally in the big city.

Then I met **him**. The **misunderstood billionaire** media mogul, Mr. Braxxus. Tall, dark and undeniably gorgeous. **Pure alpha male** and eager to take his frustrations out on a **submissive girl** like me.

Over 5,500 words of a **sub** being taken by **gorgeous alpha male dom!**
