New Bolens 1050 Lawn & Garden Tractor Service Manual

This Bolens model 1050 Lawn & Garden Tractor Service Manual (Husky) is a reproduction of the original manufacturer-issued Shop Manual. It displays 148 pages of critical technical information and instruction for your Lawn & Garden Tractor. Written in the language of a mechanic, it was initially furnished to the dealer's service department to provide enough detail for major repairs and complete overhauls. It demonstrates how to correctly take apart your 1050, repair it, and reassemble it. This is an indispensable companion if you are performing or considering extensive repairs or a full restoration. Even if you already own an original Service Manual that's in good shape, you will find our value-added content, such as post-publishing updates, corrections, serial number info and additional machine detail extremely useful.
