Leo is devastated. Once again he sinks deeper into a well of depression as he tries to comprehend the real reason he lost the love of his life. Finding it impossible to come to terms with the unbearable loss, he distances himself from Anya, who tries to rebuild her own shattered dreams.

But she resolutely refuses to give up on Leo, and continues to try to re-establish their relationship, hoping that he will one day respond to her feelings. Then, almost impossibly, heart break comes back into their lives again.

In a twist of fate that would otherwise have been laughable, Leo finds himself faced with the same choice Anya had, all those months ago. The question is, what will he do?

Can Leo turn away from a path of hate and find it within himself to forgive? He knows that without love he will be nothing, but has he left it too late? Will Anya still be there when he comes to his senses?

This is a story about two people who travel oceans and continents to find each other. But can their love stand against the two life altering tragedies which threaten to engulf them? Will they be able to find true forgiveness and heal their hearts together?
