## **Finding Home (Wild Heart) (Volume 3)** Miya Lee

After the loss of his partner three years ago, Will's tired of coming home to an empty house. But getting back out there is only half the battle when most folks are already paired up or battling for the other team.

The last time Rob put his heart on the line, it ended in tears. He's not about to face that pain again. One-night stands? No problem. Long-term relationships? Not a chance.

But when Cooper, a Shepard mix, is brought in by a good Samaritan, keeping to his rule of one-and-done is harder than he thinks. Especially when Cooper escapes the shelter and brings both men together in their search to find the missing dog.

Can these two see eye to eye, or will a special canine have to put them in their place?
