The Glamorous Life: A Novel Nikki Turner

The lure of Richmond, VA's streets is too strong for Bambi, a good girl from the right side of the tracks, who fell in love with, Reggie, a young hustler. Her thug love not only corrupted her but blinded her with the bling and cash that come with living the glamorous life of a gangsta's girl—until Reggie hit her with a low blow, crumbling her heart. From that day forward, Bambi vowed that whoever crossed her or anyone she loved would pay—usually in large bills.

With the street knowledge she gleaned from her ex as well as her own business savvy, Bambi builds a multimillion-dollar party planning empire. Along the way she runs across all kinds of dudes who try to run massive amounts of game, and ultimately she becomes a first-rate swindler and top-notch gamestress in her own right. Then she crosses paths with Lynx, a young drug dealer who sees more in Bambi than the gold digger she is rumored to be. He methodically penetrates her shield layer by layer until he captures her heart. But is she just setting herself up to be played once again?

The #1 bestselling author of *A Hustler's Wife* and *A Project Chick*, Nikki Turner gives up the game that could never be sold, only told.

From reader reviews:

Christi Potter:

Have you spare time for a day? What do you do when you have considerably more or little spare time? Yep, you can choose the suitable activity regarding spend your time. Any person spent their very own spare time to take a go walking, shopping, or went to the particular Mall. How about open or perhaps read a book entitled The Glamorous Life: A Novel? Maybe it is to get best activity for you. You already know beside you can spend your time along with your favorite's book, you can better than before. Do you agree with their opinion or you have various other opinion?

Ida Resler:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The info you get based on what kind of reserve you read, if you want drive more knowledge just go with training books but if you want sense happy read one along with theme for entertaining such as comic or novel. The actual The Glamorous Life: A Novel is kind of publication which is giving the reader unstable experience.

Katie Grossi:

This The Glamorous Life: A Novel is great reserve for you because the content which is full of information for you who have always deal with world and still have to make decision every minute. That book reveal it info accurately using great manage word or we can point out no rambling sentences in it. So if you are read this hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but difficult core information with lovely delivering sentences. Having The Glamorous Life: A Novel in your hand like getting the world in your arm, information in it is not ridiculous just one. We can say that no guide that offer you world with ten or fifteen tiny right but this book already do that. So , this can be good reading book. Hey Mr. and Mrs. busy do you still doubt that will?

Walter Pyle:

This The Glamorous Life: A Novel is brand new way for you who has interest to look for some information since it relief your hunger info. Getting deeper you in it getting knowledge more you know or you who still having bit of digest in reading this The Glamorous Life: A Novel can be the light food for you because the information inside this kind of book is easy to get simply by anyone. These books produce itself in the form that is reachable by anyone, yes I mean in the e-book web form. People who think that in e-book form make them feel tired even dizzy this publication is the answer. So there is not any in reading a guide especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book type for your better life and also knowledge.
