When the tiger shifter Simone crashes into his life, wolf shifter Acksel knows she's important to him. But when Simone leaves without so much as a goodbye, or even telling him her last name, he fears he's lost her forever.

Simone never intended to drag anyone into her problems. All she wanted to do was take care of her mother and stay out of the way of her cruel Alpha. But in a moment of weakness she spends the night with a handsome wolf shifter, and now she fears that he won't even live long enough to regret meeting her.

Please note this is a mini-novel and approximately 35,000 words in length.

But caution is advised! Contains scenes of a sexual nature with m/f interaction intended for mature readers. (And there's quite a bit of swearing too!)
