What They Didn't Tell You About Project Management: In Class Robin Francis Vysma

Take a journey through the world of projects. If you've learned about project management in the classroom then the real world of projects is going to be quite an eye opener. There will be monsters against which you are defenceless. There will be seemingly insurmountable obstacles and your career will hinge on your capacity to deliver in this environment. So what's wrong with the way we teach project management now? How should it be taught? What are we doing wrong? The dollars at stake are in the scale of the national debt. It's time to start looking at project management from a different angle.
