Agility: Making Innovation and Change Happen

Colin Ashurst

Agility: Making Innovation and Change Happen Colin Ashurst

Agility brings together two important perspectives on making innovation and change happen. Firstly, benefits-driven approaches to projects that focus on identifying and delivering benefits for customers, employees and other stakeholders. Secondly, agile approaches that enable innovation and help a team of people work together effectively to realize the potential benefits. The book provides practice guidance for business and IT professionals who want to make a difference.
