"The bubble reputation is as much a bubble in literature as in war, and I should not be one whit the happier if mine were world-wide and time-long than I was when nobody but yourself had faith in me. The only sensible ends of literature are, first, the pleasurable toil of writing; second, the gratification of one's family and friends; and, lastly, the solid cash." – Nathaniel Hawthorne, 1851.

A lot of ink has been spilled covering the lives of history's most influential figures, but how much of the forest is lost for the trees? In Charles River Editors' American Legends series, readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute, while learning interesting facts long forgotten or never known.

Nathaniel Hawthorne needs no formal introduction for any American who took a literature course in high school. It's impossible to avoid reading one of Hawthorne's classics, particularly *The Scarlet Letter* and *The House of the Seven Gables*. Hawthorne could trace his family roots back to the Puritans of the 17th century colonies, and he was clearly qualified to produce some of America's greatest historical fiction. In fact, people have long believed he changed the spelling of his last name to avoid association with an ancestor who had been involved in the Salem Witch trials, and his inclinations were on display with the way he portrayed Puritan Massachusetts in *The Scarlet Letter*.

Given the fact that his home was Salem and he was a Transcendentalist, it's no surprise that much of Hawthorne's writing centers on New England, and his works were imbued with moral allegories that often featured the Puritans. With themes like evil, sin, and humanity, Hawthorne created unusually deep and complex characters in an era where it was rare to flesh out characters' psyches.

Most Americans are roughly familiar with some of Hawthorne's life and work, but few are truly aware of just how prodigious Hawthorne was. In addition to his classic novels, Hawthorne wrote nearly 100 short stories, including classics like *The Birthmark*, and he rubbed elbows with men like Ralph Waldo Emerson, President Franklin Pierce, and other writers like Herman Melville.

American Legends: The Life of Nathaniel Hawthorne profiles the life and career of one of America's greatest writers. Along with pictures of important people, places, and events, you will learn about Hawthorne like you never have before, in no time at all.

From reader reviews:

Eric Chabot:

Reading a publication tends to be new life style in this era globalization. With reading through you can get a lot of information that could give you benefit in your life. Having book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Lots of author can inspire all their reader with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some exploration before they write on their book. One of them is this American Legends: The Life of Nathaniel Hawthorne.

Mary Oliveras:

In this time globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The fitness of the world makes the information simpler to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher that will print many kinds of book. The actual book that recommended for your requirements is American Legends: The Life of Nathaniel Hawthorne this e-book consist a lot of the information of the condition of this world now. This book was represented so why is the world has grown up. The language styles that writer use for explain it is easy to understand. The particular writer made some exploration when he makes this book. That's why this book ideal all of you.

Charles Wright:

That e-book can make you to feel relax. That book American Legends: The Life of Nathaniel Hawthorne was multi-colored and of course has pictures around. As we know that book American Legends: The Life of Nathaniel Hawthorne has many kinds or variety. Start from kids until young adults. For example Naruto or Private eye Conan you can read and think that you are the character on there. So , not at all of book are generally make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book for you personally and try to like reading that.

Dedra Clark:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this American Legends: The Life of Nathaniel Hawthorne can make you sense more

interested to read.
