Construyendo Escuelas Democraticas (Spanish Edition)

Construyendo Escuelas Democraticas (Spanish Edition)

M.W. Apple y J.A. Beane publicaron en su obra "Escuelas democráticas" un análisis de centros educativos de USA que ha generado mucho interés por el tema en la comunidad científica internacional y en profesoras y profesores de todo el mundo. Los coordinadores del libro que ahora presentamos dan continuidad a la obra de estos autores clave presentando de forma rigurosa y exhaustiva centros educativos democráticos del contexto español. Las experiencias educativas incluidas en este libro tienen unas características comunes transversales: la creación de condiciones necesarias que avanzan hacia el éxito educativo de todo el alumnado, la democratización de las aulas para la inclusión de las voces de los niños y niñas y adolescentes, y la participación de la comunidad educativa en el control y gestión de los centros. En definitiva, se incluyen elementos de análisis que contribuyen a construir escuelas y sociedades más democráticas e igualitarias. Rafael Feito Alonso es profesor de la Universidad Complutense de Madrid y Juan Ignacio López Ruiz es profesor de la Universidad de Sevilla
