Learning to Fall Jillian Eaton

There are some lines that should never be crossed...

...and some desires that cannot be ignored.

Driven, meticulous, and a bit of a control freak, Imogen Finley is elated when her hard work and dedication culminates in a teaching position at Stonewall, a prestigious liberal arts college on the coast of Maine. Everything in her life is going exactly as she planned it... until she meets Daniel Logan.

Charming, mysterious, and wickedly handsome, Daniel is not the kind of man Imogen ever planned on falling for, but after a chance meeting at a bar that's exactly what she finds herself doing and he quickly becomes the one thing in her life she can't control. The one thing in her life she doesn't *want* to control.

But as their passion escalates, so does the dangerous situation they find themselves in. Because Daniel isn't just the man Imogen's falling in love with... he's also her student.
