Complete 4-BOOK Set! Purg: Fallen Angel

A serial killer is roaming the streets of Los Angeles. The police can't catch him; the FBI can't understand him; and nobody—including the 'voices'—can stop him.

In another part of the panicked city, a young mother struggles to keep her small family together. The problem is that forces, which humans can barely comprehend, are carrying out orders that have been sent down from another plane of existence . . .

There, the life and death of a young child is just another violent step leading to the End of Days.

Caught in the middle is a fallen Guardian Angel, one of many, condemned to carry out the service of God in the darkest city . . . Purgatory. It is the place where all Souls wait, determining their final choice. They may choose the Grace of God, or they may cross the Torn Valley and enter the city of Hades—a bright place of sin and pleasure . . . and of Lucifer.

Whatever they choose, the decision is permanent.

In Purgatory the Angels protect the evolved Souls as choices are being made. In Hades, Demons and Dark Angels are preparing for the final battle between Heaven and Hell, good against evil. And the outcome of this battle has not yet been foretold.

In a series of twists and turns; unlikely heroes and unexpected alliances are formed that could spell the end for all humanity, and the beginning of Lucifer's reign.

Welcome to Purg: Where everything is ruled by darkness . . . and nothing is what it seems . . .

Purg: The 4th Angel

In this dark and thrilling sequel to Purg, we rejoin the Protectors - Fallen Angels who are forced to protect the city of Purgatory from all aggressors.

The agents and demons from Hades are crossing over into Purg, converting souls to their cause while both sides prepare to start a war that will spill over into the human plane of existence.

Lucifer plots from the Garden of Eden, while his lieutenant, Lucien, welcomes their newest guest - Simon, a serial killer who recently crossed from Purgatory to Hades.

Forest and the other Protectors prepare for a battle that they aren't sure they can win.

The forces of Purgatory and of Hades violently collide in this stunning second book in the Purg series.

Purg III: Burning Heaven

A series of haunting assassinations span across the globe from Texas, to South America, through France and Spain and England, all the way to Rome. The targets: Catholic priests. Ex-FBI agent, Shane Abbot gets called back to service to follow the murders as far as they go. The questions he asks along the way hint at a much darker plot than any of them ever had imagined and a reality that he may not be able to face.

Mavet—an Angel of Death—travels the earth to fulfill the killing of a very specific list of people. But when Heaven calls to inform him that the mission is accomplished, he is not satisfied, and chooses to continue his bloody work. . .without God's consent.

Now a renegade, he must do his bidding while soldiers in Heaven try everything to stop him. But when they realize he is far too powerful for them to handle, the Archangel Michael turns to the most unlikely of allies.

A bounty hunter is sent from Hades to track down the renegade Angel, and deliver him back to his brothers. But this is no ordinary skip tracer . . . he is the legendary Deegan Prost—the one who originally captured the three Angels that were crucified in front of Hades.

In this third installment of the Purg Series, the forces of Heaven and Hell will grow closer to war as the fight between good and evil spills out onto the earth. With an ending so shocking it will change all you know about good and evil, new warriors will rise and conspiracies will be uncovered.

Purg IV: Falling Shadows

Ordered by Lucifer—who now resides in the darkness of the Garden of Eden—a bounty hunter is sent from Hades to track down the most deadly renegade Angel to walk the Earth.
