What They Didn't Teach You in Seminary: 25 Lessons for Successful Ministry in Your Church James Emery White

In churches today, there are ever fewer older pastors speaking into the lives of younger leaders, and fewer younger leaders feeling there is much to be learned from the experience of their elders. Street-smart wisdom is gone from training as there are many men and women preparing pastors who have never themselves pastored a church. Intriguingly, even older, more seasoned pastors yearn for insight into their task, as they remain "undisciplined" in the school of leadership. In *What They Didn't Teach You in Seminary*, veteran pastor James Emery White provides the kind of mentoring young pastors desperately need but cannot get from academia or leadership books. These "from the trenches" insights will help them transform their relationships with staff and parishioners, develop healthy boundaries, deliver hard truths, avoid spiritual pitfalls, use their time effectively, and much more.
