Yohji Yamamoto

The art of anti-fashion

Yohji Yamamoto: The fashion designer who redesigned fashion

As one of the most mentally rigorous designers working in fashion, **Yohji Yamamoto** creates garments that can be intellectual—sometimes even difficult—yet always beautiful. Yohji's free-spirited world is explored here via *i-D* magazine's archives starting back in the 1980s, including his adoration for women and the female form, the painful process of creating anti-fashion through fashion and how his timeless utilitarian designs can be both avant-garde and classic at once.

Packed into 120 pages is biographical and personal information as well as imagery from over 30 years of *i-D*'s history with images from photographers including **Paolo Roversi**, **Max Vadukul**, and **Nick Knight**, plus interviews with **Jamie Huckbody**, **Holly Shackleton**, and **Terry Jones**.

Text in English, French, German, and Spanish
