This is a story of love and madness, light and darkness, hope and deliverance told by Izabella. She can't remember most of her past life, a lost soul desperately trying to find her way in life facing a dilemma between an uncertain past and a secure future. A chance encounter with her first crush in high school rekindles new possibilities - a rescue perhaps from her fated lifetime of turmoil marrying the one person she shouldn't.

Simon is an ex-military who never stopped loving the one person that meant the world to him. His life has been preparing him for this one last mission, and he will stop at nothing from getting his Bella back. Can he save her from the trappings of her environment and sure destruction?

As time is running out, to find love, Bella and Simon need to seize the moment for a second chance romance and overcome obstacles past and present.
