From Jennifer J. Chow, author of the award-winning *The 228 Legacy*, comes a young adult novel about immigrant struggles and family conflict. It's 1880 in Fresno, California when 17-year-old Topaz Woo dies after giving birth. She can get an extension in a non-physical body—if she uses The Ten Commandments to influence her newborn. Over the course of ten years, she finds herself stymied in parenting by intergenerational drama and spiritual battle. Will she adjust to an otherworldly existence and give her daughter a solid foundation? Or will she become mired in family disputes and forfeit her soul to evil?
