Dynasty (To Be Sinclair) (Volume 5) Eva Caye

Princes Stefan, Josef, and Evan Sinclair find themselves under the extreme stress of learning their mother's ultra-secret stargate science, and she gives little thought for their private lives. As they also struggle with their University educations, the personal pressures they suffer manifest in emotional problems. Will their paramours understand? Yet it all pales when their mother Empress Felice Sinclair proves to be suffering a mysterious, debilitating illness, and especially when the Stargate Fleet is attacked when returning from an assignment. Can the Imperial Sons learn enough of her science to assimilate her stargate duties into their lives, before it's too late?
