## **The Best of James Joyce (Annotated) Including: Ulysses, Dubliners, A Portrait of the Artist as a Young Man, and Chamber Music** James Joyce

James Joyce was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, a landmark work in which the episodes of Homer's Odyssey are paralleled in an array of contrasting literary styles, perhaps most prominent among these the stream of consciousness technique he perfected. Other major works are the short-story collection Dubliners (1914), and the novel A Portrait of the Artist as a Young Man and Chamber Music, all of which are included.

This edition has been formatted for your Kindle, with an active table of contents. It has also been annotated, with additional information about the books such as overviews, themes, style, and character information.
