What if the Sleeping Beauty Refused to Wake Up?

The rescue wasn't going at all how he planned. Prince Arpien intends to gain a throne and the sleeping beauty's heart with a single kiss that wakes her from the evil fairy's curse. But kissing the princess is only the beginning of a series of unforeseen obstacles: man-eating bugs, deadly spindles, talking lapdogs, and fiery pickles. The sleeping beauty is the biggest complication of all.

Princess Brierly is beautiful and Fairy-Gifted, but also...daft. After one hundred years of sleep imprisonment, Brierly re-fuses to believe this rescue is anything more than a tantalizing but doomed dream.

Arpien is drawn to the vibrancy beneath Brierly's indifferent exterior. Can they reclaim her kingdom? Do they dare trust in the Prince of the old tales to help them battle the evil fairy who cursed Brierly? What is the price of waking beauty?
