## **A Fatal Visit (A Harbor Cove Cozy Mystery Book 1) Emily Page**

The normally quiet town of Harbor Cove is rocked one evening when an unidentified man is found dead inside the men's room of an upscale local restaurant. He has no local ties and lying next to his body oddly enough, was a bag full of money.

As word spreads of what seems to be murder lacking an obvious motive, this sparks the interest of freelance reporter Skyler Avery. Working as a reporter and writing for the local paper, Skyler is ready to delve deep into the most recent "event." She enlists the help of a lawyer at a local firm, Nichole Chambers.

Skyler and Nichole work feverishly and eventually narrow their list down to three main suspects. Just when they thought they found the killer, everything changes. Were their instincts right or does the chilling answer lie with someone else?
