Coming to: A Biomythography David Kundtz

Coming To: A Biomythography is an autobiographical work - but rather than a straight-forward narrative, this life story consists of twenty discrete chapters, each one written in a different literary form. Taken together, they present life as a rich tapestry rather than a linear journey. Join David Kundtz on a unique and rewarding exploration - many thought provoking insights included. A biomythography "tells all the truth but tells it slant." (Emily Dickinson)
