## Cut to the Quick: Julian Kestrel #1 Kate Ross

Julian Kestrel is the walking definition of a Regency-era dandy. He cares about little beyond the perfection of his tailoring, he lives for the bon mot, and his life has the specific gravity and the fleeting charm of a soap-bubble. At least that's what he'd like you to think. In fact, it rather suits Kestrel to be perpetually underestimated, particularly when as in this instance his weekend at a glamorous country estate is spoiled by a dead girl's body being found in his bed.
