Jailbird Heather Huffman

A paradoxical blend of light and dark, Jailbird is a warm and humorous tale about the power of hope. Neena Allen has led a tough life. Born on the reservation, raped and unjustly convicted of murdering her attacker, she survives prison - barely. When an opportunity presents itself, she doesn't hesitate to escape. Presumed dead, she stumbles into a sleepy Arkansas town where she finds refuge with a kind family and glimpses the chance for a real home, a place to belong. But leading a double life isn't easy, especially when you fall in love with the town lawyer. To complicate matters further, a tenacious reporter gets too close to the truth and Neena finds herself on the run again. With a manhunt under way and her newfound happiness at risk, Neena is forced to face the painful memories of her past to decide on her future. Should she fight for her new life or give up those she loves to keep them safe?
