Organizational Psychology: Collected Works: Volume 6 (Psychology at a Glance) Weronika Kuzniar

This book, the sixth in a set of six, is part of my “Psychology at a Glance” series. Here readers will encounter a variety of short and long essays on a number of different topics and issues in the field of psychology. Essays on teams, group dynamics, diversity, leadership, teamwork, issues in the workplace, physiological disorders, human and animal behavior, genetic engineering, psychopathology, neuroscience, learning, education, discrimination, warfare, and much more can be found in this unique series. Readers will come away from my books with a well-rounded knowledge of psychology. They will also gain a better understanding of Organizational Psychology: its foundations, its usefulness, and its future.
