C Wayne "Snoopy" Harrison is no literary giant. He's greater than that. He just doesn't know it. Snoop is a down-to-earth, salt-of-the-earth kind of a guy gifted with the unique ability to share his story, a story that resonates. Some folks say, "Read between the lines." You won't need to do that with this one. Just read the lines as they're written. You'll discover and encounter the honor, integrity and dignity, not only of one man, but of all military men and women who serve.

If you're a Vietnam veteran, when you finish reading this one you put it down, close your eyes and know - it was worth it all - and you'll feel clean, and fresh, and whole.

A great gift item for veterans of all wars, active military and their families.
