The Adventures of Huckleberry Finn (Illustrated) Mark Twain

Adventures of Huckleberry Finn (or, in more recent editions, The Adventures of Huckleberry Finn) is a novel by Mark Twain, first published in the United Kingdom in December 1884 and in the United States in February 1885. Commonly named among the Great American Novels, the work is among the first in major American literature to be written throughout in vernacular English, characterized by local color regionalism. It is told in the first person by Huckleberry "Huck" Finn, a friend of Tom Sawyer and narrator of two other Twain novels (Tom Sawyer Abroad and Tom Sawyer, Detective). It is a direct sequel to The Adventures of Tom Sawyer.

The book is noted for its colorful description of people and places along the Mississippi River. Set in a Southern antebellum society that had ceased to exist about twenty years before the work was published, Adventures of Huckleberry Finn is an often scathing satire on entrenched attitudes, particularly racism. Perennially popular with readers, Adventures of Huckleberry Finn has also been the continued object of study by literary critics since its publication. It was criticized upon release because of its coarse language and became even more controversial in the 20th century because of its perceived use of racial stereotypes and because of its frequent use of the racial slur "nigger", despite strong arguments that the protagonist, and the tenor of the book, is anti-racist.

From reader reviews:

Eric Bass:

Hey guys, do you wish to find a new book to read? Maybe the book with the title The Adventures of Huckleberry Finn (Illustrated) suitable to you? Typically the book was written by a popular writer in this era. Typically the book titled The Adventures of Huckleberry Finn (Illustrated) is the one of several books in which everyone reads now. This book has inspired a lot of people in the world. When you read this book you will enter the new age that you never knew prior to. The author explained their plan in a simple way, thus all of us can easily understand the core of this e-book. This book will give you a great deal of information about this world now. To help you see the representation of the world in this particular book.

Harry Nelson:

Your reading sixth sense will not betray an individual, why because this The Adventures of Huckleberry Finn (Illustrated) book written by a well-known writer who really knows well how to make a book that may be understood by anyone who reads the book. Written in a good manner for you, still dripping with every idea and producing skill only to eliminate your own personal hunger then you still doubt The Adventures of Huckleberry Finn (Illustrated) as a good book but not only by the cover but also through the content. This is one reserve that can break don't evaluate a book by its cover, so do you still need yet another sixth sense to pick this!? Oh come on your sixth sense already said so why you have to listen to a different sixth sense.

Marilyn Vance:

This The Adventures of Huckleberry Finn (Illustrated) is a completely new way for you who has curiosity to look for some information given it relieves your hunger for knowledge. Getting deeper you in it getting knowledge more you know or else you who still have a small amount of digest in reading this The Adventures of Huckleberry Finn (Illustrated) can be the light food in your case because the information inside that book is easy to get by simply anyone. These books build themselves in the form and that is reachable by anyone, yeah I mean in the e-book form. People who think that in reserve form make them feel tired even dizzy this publication is the answer. So there is no in reading a publication especially this one. You can find what you are looking for. It should be here for you actually. So, don't miss the item! Just read this e-book sort for your better life and also knowledge.

Chris Boos:

A lot of publications have been printed but it is unique. You can get it by online on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by searching for it. It is referred to as a book The Adventures of Huckleberry Finn (Illustrated). You can include your knowledge by it. Without making the printed book, it might add your knowledge and make a person happier to read. It is most essential that, you must be aware about reserves. It can bring you from one spot to another place.
