By-the-book crisis manager Maggie Walsh knows the rules. A good fixer is always prepared, always in control and, most importantly, never falls for a client, especially one as handsome and charming as Gavin Howard.

Billionaire hotel heir Gavin Howard has almost everything. He's on the verge of being named CEO of his father's company and getting engaged to one of the most famous women in the world, but he doesn't have the one thing he truly wants: love.

Gavin's been planning one last hurrah, but when he meets Maggie, he sees his one last chance at something real. When he finds out she's there to help marry him off, he makes another plan, a plan to win her over and take control of his destiny.

He makes a simple proposal: if Maggie gives him one week together, he'll do whatever she wants afterward. Sure, it breaks all the rules, but if there's one thing she's learned from Gavin, it's that rules are made to be broken.
