The Bluffs of Devil's Swamp Mack Cameron

In the last week of Feb. 1924, handsome Nick Gable arrives in Bay St. Louis, Miss., and meets with local lawyer, Dudley Marquette, concerning the purchase of eighteen thousand acres of land in Devil's Swamp. On a trip out to the property, Nick encounters Claude, a descendant of the swamp people whose pirate ancestors helped Gen. Andrew Jackson win the Battle of New Orleans near the end of the War of 1812. While at a roaring twenties party held at a hotel, Nick slips away from the crowd and has a clandestine meeting with three men. Under their leader's direction, Nick is setting up a major illegal booze shipping operation between Cuba and Bay St. Louis. The Internal Revenue Service and its rogue agents begin to use brutal tactics to get information about the shipments. Undercover agents from New Orleans disappear while investigating Nick's operations. Eventually, ambulance drivers, black funeral home owners, and even the sheriff and his deputies become involved in shipment activities.

Nancy Bowers:

As a college student exactly feel bored to be able to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just very little students that has reading's soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this The Bluffs of Devil's Swamp can make you feel more interested to read.
