The second book in Kat Black's historical fantasy trilogy full of intrigue, mystery, and adventure!

Something's wrong with Tormod MacLeod. Ever since returning home his visions have become more intense and disorienting, making him increasingly ill and constantly on the verge of collapse. But then he meets Aine, a fiery, no-nonsense Scottish lass who has powers of her own and a special supernatural connection with Tormod--when they're actually getting along. Together they must find the healer who can save Tormod's life, all the while dodging King Philippe le Bel's ruthless soldiers, who will stop at nothing to find Tormod and information about the secret he keeps.
