## **The Everett File: The Goey Gospel of Truthy Goodness** Steven A. Moore

The Everett File: (The Goey Gospel of Truthy Goodness) is a contemporary satirical novel of biblical proportions—and distortions. Two lifelong friends, a former seminary student and his eccentric homeless cohort who thinks he's a descendant of the "J-Man," must decipher the cryptic message of a dying man's last words before serious harm comes to a revered international figure—and you won't believe who that person ends up being. (No spoilers here!) On their surreal adventure, they unearth centuries old mystical secrets, have conversations with a dashboard Jesus, dodge the FBI, uncover the mystery of what really happened to Marilyn Monroe and possibly begin the unraveling of established religion as we know it. Irreverent and often hilarious, The Everett File is reminiscent of the works of Vonnegut and Christopher Moore.
