The Girl and the Game: A History of Women's Sport in Canada, Second Edition M. Ann Hall

In the second edition of this groundbreaking social history, M. Ann Hall begins with an important new chapter on Aboriginal women and early sport and ends with a new chapter tying today's trends and issues in Canadian women's sport to their origins in the past.

Students will appreciate the more descriptive chapter titles and the restructuring of the book into easily digestible sections. Fifty-two images complement Hall's lively narrative.
