The Puritan Way of Death: A Study in Religion, Culture, and Social Change (Galaxy Book; GB 573)

David E. Stannard

The Puritan Way of Death is more than a book about Puritans or about death. It is also about family, community, and identity in the modern world. Even before publication, eminent historians, sociologists, and religious scholars in the United States and Europe—among them, Gordon Wood, Philippe Ariès, William Clebsch, and Robert Nisbet—hailed it as a "pathbreaking, provocative, and exciting" work, a "terse, urbane, learned, clear, humane" volume.
