Watch Your Dreams Ann R Colton

Ann Ree Colton was noted for her spiritual understanding of dreams, her gift for interpreting dream symbols and the prophetic aspect within dreams, and her ability to recover akasic or past-life records through dreams. In her research, she discovered that there are seven dream levels, and that there is a progressive process and sequence in one's dreams that reveals the initiatory action in one's life. Watch Your Dreams describes the spiritual significance of dreams and discusses the Night Ministry, during which one may aid others, research the higher worlds, learn of past lives, and gain prophetic insight into coming events. An invaluable tool, Watch Your Dreams is a comprehensive reference book providing the essential keys to dream interpretation and revealment.
