**Emma's Dilemma . . .**

What would Emma Rogers have done without her oldest friends, the Calamity Janes?

As teenagers in Winding River, Wyoming, they'd supported her ambitious dreams. A decade later, when Emma went home, struggling with single motherhood and career pressures as a top Denver attorney, Cassie, Karen, Gina and Lauren rallied around her. But why were the Calamity Janes urging her to look with favor on her sexy nemesis, Ford Hamilton? Wasn't it bad enough that her young daughter sang the praises of the heart-stoppingly handsome publisher who'd clashed repeatedly with Emma on a controversial court case? Worst of all, Emma's own heart was strongly tempted by Ford's offer to match wits -- and join hearts -- with him for a lifetime!
