## **Last Call at the Nightshade Lounge: A Novel** Paul Krueger

Bailey Chen is fresh out of college with all the usual new-adult demons: no cash, no job offers, and an awkward relationship with Zane, the old friend she kinda-sorta hooked up with during high school.

But when Zane introduces Bailey to his monster-fighting bartender friends, her demons become a lot more literal. It turns out evil creatures stalk the city streets after hours, and they can only be hunted with the help of magically-mixed cocktails: vodka grants super-strength, whiskey offers the power of telekinesis, and tequila lets its drinker fire blasts of elemental energy. But will all of these powers be enough for Bailey to halt a mysterious rash of gruesome deaths? And what will she do when the safety of a “real world” job beckons?

This sharp and funny urban fantasy is perfect for fans of Buffy the Vampire Slayer, Scott Pilgrim Vs. The World, and grown-up readers of Harry Potter. Includes 14 recipes from a book of ancient cocktail lore.
