Penelope: A Novel of New Amsterdam Jim McFarlane

Penelope, an exciting tale of adventure plus mystery plus romance in colonial America, was inspired by a true story. In 1640s Amsterdam, the richest city in Europe, near-penniless Penelope Kent dreams of voyaging to America to search for her merchant-father who disappeared on a secretive get-rich-quick scheme. To voyage requires a husband or guardian. Matthew, her betrothed, dreams of finding a new home in America for his congregation of English Separatists like the Pilgrims did a generation ago. But the elders of Matthew's congregation accuse Penelope of immoral behavior that threatens to expel Penelope from the congregation, from Matthew's life, and from her dream. She can't wait to escape Amsterdam but never imagines the dangers that await her in the New World.
