This book contains four stories of ladies who are looking for a good spanking. Hear tales of girls goading their men, until they have no choice but to put them over their knee and teach their naughty bottoms a lesson they so richly deserve.

A snog or a spanking

They were the choices you got if you were caught in the game the kids used to play. Yet as adults the stakes have to be higher and with it the consequences of getting caught become so much more painful.

The actress

What is a famous actress supposed to do between jobs? What is she supposed to do when caught in the seedy world of an exotic dancer by your father's friend, who has lusted after your fleshy young body? She can only do one thing, submit to his desires and hope he is happy taking it out on her firm young bottom.

Teasing her boyfriend

If you play with fire, then you can expect to get burned. If you play with your sister's boyfriend then you can expect your bottom to get burned and in this case you can expect it to be done with a wooden spoon across your naked bottom.

Too old to be spanked

No matter how old you are, if you go looking for trouble, then you are going to have a face a good old fashioned spanking. For this lady it was exactly what she was looking for, even if it came about in circumstances she could never have expected.

Bonus story – this book also contains a 4k+ word bonus story, Office Temp, from one of my other Spanking Shorts collections.
