## **The Running Game (Reacher Series) (Volume 1)** L. E. Fitzpatrick

Rachel's father called it the running game. Count the exits, calculate the routes. Always be ready to run because they'll always be coming for you. Whatever happens, they'll always be coming for you.

On the surface, Rachel is just an ordinary doctor, trying to stay alive in war-torn London, but she has a secret. Rachel is a Reacher – wanted by the government and by the criminal underworld – for her telekinetic powers. Charlie and his brother John had a reputation for doing the impossible. But after losing his family, Charlie is a broken mess and John is barely keeping him afloat.

In desperation, they take a job from a ruthless gang lord only to discover the girl they are hunting is a Reacher – one of their own kind. James Roxton, a conman and thief, is searching for the man who tried to kill his mother. Suddenly embroiled into the plan to kidnap Rachel, he decides he can turn things to his own advantage.

Even with the help of dangerous and dubious allies, can Rachel turn the game around and save herself?
