Torture and Truth (Routledge Revivals) Page duBois

First published in 1991, this book ? through the examination of ancient Greek literary, philosophical and legal texts ? analyses how the Athenian torture of slaves emerged from and reinforced the concept of truth as something hidden in the human body. It discusses the tradition of understanding truth as something that is generally concealed and the ideas of 'secret space' in both the female body and the Greek temple. This philosophy and practice is related to Greek views of the 'Other' (women and outsiders) and considers the role of torture in distinguishing slave and free in ancient Athens. A wide range of perspectives ? from Plato to Sartre ? are employed to examine the subject.

From reader reviews:

Russell Belcher:

Do you have favorite book? In case you have, what is your favorite's book? Reserve is very important thing for us to be aware of everything in the world. Each publication has different aim or goal; it means that guide has different type. Some people sense enjoy to spend their time to read a book. They are reading whatever they have because their hobby is usually reading a book. What about the person who don't like examining a book? Sometime, man feel need book once they found difficult problem or exercise. Well, probably you will need this Torture and Truth (Routledge Revivals).

Mike Jones:

Your reading 6th sense will not betray anyone, why because this Torture and Truth (Routledge Revivals) guide written by well-known writer whose to say well how to make book that can be understand by anyone who have read the book. Written with good manner for you, still dripping wet every ideas and publishing skill only for eliminate your hunger then you still question Torture and Truth (Routledge Revivals) as good book not simply by the cover but also by the content. This is one e-book that can break don't assess book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your examining sixth sense already said so why you have to listening to one more sixth sense.

Joseph Davis:

On this era which is the greater particular person or who has ability in doing something more are more precious than other. Do you want to become one among it? It is just simple approach to have that. What you have to do is just spending your time almost no but quite enough to get a look at some books. Among the books in the top record in your reading list is definitely Torture and Truth (Routledge Revivals). This book which can be qualified as The Hungry Inclines can get you closer in getting precious person. By looking upward and review this reserve you can get many advantages.

Ralph Rodriguez:

Book is one of source of information. We can add our information from it. Not only for students but native or citizen have to have book to know the up-date information of year in order to year. As we know those guides have many advantages. Beside most of us add our knowledge, can also bring us to around the world. With the book Torture and Truth (Routledge Revivals) we can get more advantage. Don't one to be creative people? For being creative person must prefer to read a book. Only choose the best book that acceptable with your aim. Don't possibly be doubt to change your life with this book Torture and Truth (Routledge Revivals). You can more appealing than now.
