## **Will Poole's Island** Tim Weed

"Immersive . . . This riveting portrayal of early Colonial New England shines a speculative but compelling light on the time and place." -- Kirkus Reviews

New England, 1643. A meeting in the forest between a rebellious young Englishman and a visionary Wampanoag leads to a dangerous collision of societies, an epic sea journey, and the making of an unforgettable friendship. *Will Poole's Island* is a tale of adventure, wonder, and mystery in which a young man discovers that he is destined for more than his narrow upbringing led him to expect.

"Tim Weed's *Will Poole's Island* is a doorway to an earlier world when the United States existed as a borderless tract of land whose dimensions could hardly be imagined. This is a superb novel, written with truth and daring at its core." -- Joseph Monninger, National Endowment for the Arts Fellow and author of *The World as We Know It*
