Acting Out (Hollywood) Tibby Armstrong

Jeremy Ash, aspiring actor, is single, gorgeous...and openly, quietly gay. When he lands a starring role opposite America's favorite former child star, 21-year-old Kit Harris, he's ecstatic and more than a little attracted to the enigmatic star.

Kit Harris' career has been flagging, and his agent promises this new film, an edgy coming-out story with a famed director, is just the thing to get it back on track. The problem is that the film is relatively intimate in nature, and Kit's definitely not gay. He's not even slightly bent.

When the two men collide in a crushing first test kiss, Kit's left reeling, and Jeremy's left wanting, and both are left gasping for air. And that's just the screen test. When filming starts and the two men are brought into close proximity every day, passions ignite and souls collide?both onscreen and off. The two men find that the only way to assuage their mutual lust is to give in to it. Kit's sure this strange new attraction will run its course; Jeremy's hoping it never has to end.

But when a manipulative model obtains salacious film footage of the two men in bed, Kit's prepared to do whatever it takes to save his career. But how far is too far to push the boundaries of love, and how long can one man hide from himself?

Publisher's note: This book contains explicit sexual situations, graphic language, and material that some listeners may find objectionable: male/male sexual practices.
