Carpathias forces in New Babylon are cast into utter darkness as all trace of light disappears from the abode of the Antichrist. But all is not well for Rayford Steele and his compatriots either. The Tribulation Forces aliases and even their Strong Tower safe house have been compromised, forcing Rayford Steele, Buck Williams, and all the forces members to flee for their lives. The scattered Tribulation Force is drawn inexorably toward the Middle East, as are all the armies of the world. History is honing in on the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe, friends and loved ones must commemorate two lives in one memorial service, and the cast of characters dramatically changes. By the time of the great day of God Almighty, homes have been uprooted, new alliances forged, and the entire globe becomes a powder keg with the fuse already burning.
