The Afterlife Connection: A Therapist Reveals How to Communicate with Departed Loved Ones Jane Greer

Dr. Jane Greer, a classically trained therapist, began with the belief that the bond that exists between the living and the dead is not purely a psychological one, but is, in fact, much more dynamic and empowering. In the shattering aftermath of her own mother's death, Dr. Greer learned---and shows us as well---that transcommunication is not simply a "hello from heaven" but a powerful therapeutic tool that is available to any of us. Through this communication, the pain of grieving can be made more bearable, ambivalent relationships can be healed, and a loved one's messages can bring relief and joy.
