Fallen Angel: The Untold Story of Jimmy Page and Led Zeppelin

Thomas W. Friend

Fallen Angel: The Untold Story of Jimmy Page and Led Zeppelin Thomas W. Friend

This book is a 648 page expose about Led Zeppelin and a Magick/Satanic cult in England called the Argenteum Astrum, which means "Silver Star." The founder of this cult is Aleister Crowley, whose books are for sale on Amazon.com.

The major doctrines of this cult are presented in the most famous songs in the Led Zeppelin catalog. The cult's agenda is the destruction of the Christian faith. Very controversial and intellectually stimulating.
